EMPLOYMENT

International Monetary Fund

September 2026 – Present

Economist, Research Department, Development Macroeconomics Division

EDUCATION

Washington University in St. Louis

2026

PhD in Economics

Washington University in St. Louis

2022

MA in Economics

Universidad Torcuato Di Tella

2018

BA in Economics

RESEARCH INTERESTS

Macroeconomics, Macro-Development, Financial Frictions, Misallocation, Structural Transformation

RESEARCH

Working Papers

Complementarity and the Amplification of Financial Frictions with Hiroyuki Nemoto

Using a model of collateral-constrained producers making technology adoption decisions, we show that complementarity across firms substantially amplifies the productivity costs of financial frictions. This implies financial liberalization generates the largest productivity gains in economies where firms' technology choices are most interdependent.

Work in Progress

Persistence of Misallocation: The Long-Run Effects of Setup Costs with Hiroyuki Nemoto

The Natural Rate of Structural Transformation with Paco Buera, Joe Kaboski, and Martí Mestieri

RESEARCH EXPERIENCE

Research Assistant

Francisco (Paco) Buera

2022 – 2024

TEACHING EXPERIENCE

Teaching Assistant, Washington University in St. Louis

Labor and the Economy Spring 2026
Instructor: Maria Canon

Macroeconomics of Inequality Spring 2024
Instructor: Paco Buera

Financial Economics (M.A. Econ) Spring 2023
Instructor: Julian Kozlowski

Intro to Econometrics with Writing Fall 2022, Fall 2023
Instructor: Maria Canon

Macroeconomics II (Ph.D. Econ) Spring 2022
Instructors: Paco Buera and Ping Wang

Macroeconomics I (Ph.D. Econ) Fall 2021
Instructors: Rody Manuelli and Yongseok Shin

Teaching Assistant, Universidad Torcuato Di Tella

Microeconomics I (M.A. Econ) Spring 2020

Microeconomics I Fall 2018 – Spring 2020

Economics I Spring 2018

AWARDS

Fellowship, Washington University in St. Louis 2020 – 2025

Scholarship, Universidad Torcuato Di Tella 2014 – 2018

OTHER INFORMATION

Programming: Matlab, Stata, $\text{\LaTeX}$, Python

Languages: Spanish, English
